**Administrative Reports:**

-Mayor Keller reported that the resurfacing of Alta Vista, Mayfair and Herbert has begun. Applegate Avenue will start soon. He also reported that some residents in the area south of the new Marathon gas station have reported the smell of gasoline in their homes. Mr. Braun will follow up with the resident once he has the name and contact info for the initial complainant. The city will help wherever possible in remediating the gas smell. Mrs. Richter asked if Alta Fiber was intending to install fiber optics on her street, as there are flagged but no further activity has been noticed. Mrs. Richter asked if enough lifeguards have been hired to open the pool. Mayor stated that we still need more guards to fill out the schedule. There was discussion of placement of the stage at Harvest Home Park along with the repaving project. The stage will not be included in the paving project, however, there may be a pickleball court installed in the area northeast of the barn where the basketball hoops used to be.

-Law Director Rohr reiterated her concern that Council stay within the guidelines to ask for a Police and Fire. The law has very specific rules about the purpose of the levy. This will be discussed in a Finance Committee meeting on April 18 immediately following the regular council meeting.

Public Recognition: Red Vlaikov addressed Council to thank the city for extending their current agreement regarding use of city facilities for the Purple Heart meetings. Red gave each member of council a pin as a show of thanks for their support.

Other Business: Mrs. Richter gave an updated report on Family Day. Financial Disclosures are due May 15. All elected and appointed officials need to complete the Open Records Training before the expiration of their term.

Treasure's Report from February 2023 was received and filed.

Mayors Court Receipts were received and filed.

Upcoming Meetings: Finance Committee will meet on April 18 immediately following the regular council meeting to discuss the police and fire levy. Mr. Hardig is cancelling his Zoning meeting set for that date due to the unavailability of some key individuals.
